

VISION OF POLAND PRESENTED BY JAROSŁAW KACZYŃSKI

Summary

The article contains a description of the political doctrine covering the basic areas of the political system presented *expressis verbis* by Jarosław Kaczyński in the 1990s and included in program documents and legal acts by PiS (Law and Justice) party. The statements and political programs were confronted with each other over the years 1990–2014 as well as with real action aimed at implementing the above vision, which was built on the basis of the assessment of the state of the Poland shaped by a round-table agreement. Personal inspirations and authorities of the president Law and Justice party were also presented here, from which he drew his ideas to a large extent.

Keywords: Jarosław Kaczyński, political system, concept, description, implementation.
