Why Poland?

Poland has recently advanced from **25th to 13th** in the HSBC Expat League Table of **Best Places to Live and Work**, putting it ahead of Hong Kong, France, Sweden, and even the United States!

Studying in Poland offers you a high-quality European degree, recognized worldwide, at an affordable cost! Not only will you benefit from excellent teaching standards, but you will also have the opportunity to pursue your future career in the EU!

 **Warsaw, Poland**
the city where you will live if you apply to Vistula University

Here's why Poland is so cool:

Safety

Poland is considered to be one of the **safest countries in Europe** with low levels of crime compared to other major European cities.

Cost of living

The **cost of living** and studying in Poland is significantly **lower** compared to prices and fees in other Western European countries. Additionally, Poland's stable economy contributes to lower costs for goods and services, making it an **affordable place to live!**

Career Opportunities

Many international companies choose Poland as the location for their offices, providing a **great starting point for your career**. Full-time students have the opportunity to work part-time without the need for additional permits, making it easier to manage both living and academic expenses.

■ **+ if you are a student under 26 you will **not** pay any taxes from your income and you can leave **all money to yourself** :)**

Diversity

Students from all over the world choose Poland for their studies, which creates a unique **multicultural atmosphere**. This opens up opportunities for exchanging cultural experiences and creating international friendships.

Why Vistula?

We are the **#2** most international university in Europe, according to the prestigious QS ranking

We are **#1** in **Employability** among non-public universities in Poland according to Perspektywy Ranking

Our university proudly holds numerous **prestigious accreditations** from reputable accrediting bodies, reflecting our commitment to providing high-quality education!

Vistula is among the few universities in Poland that have been awarded the full scope of ACCA accreditation. Finance and Accounting graduates may be exempted from all ACCA examinations at the Fundamentals level and thus are ahead of others when it comes to gaining the internationally recognized ACCA professional qualification.

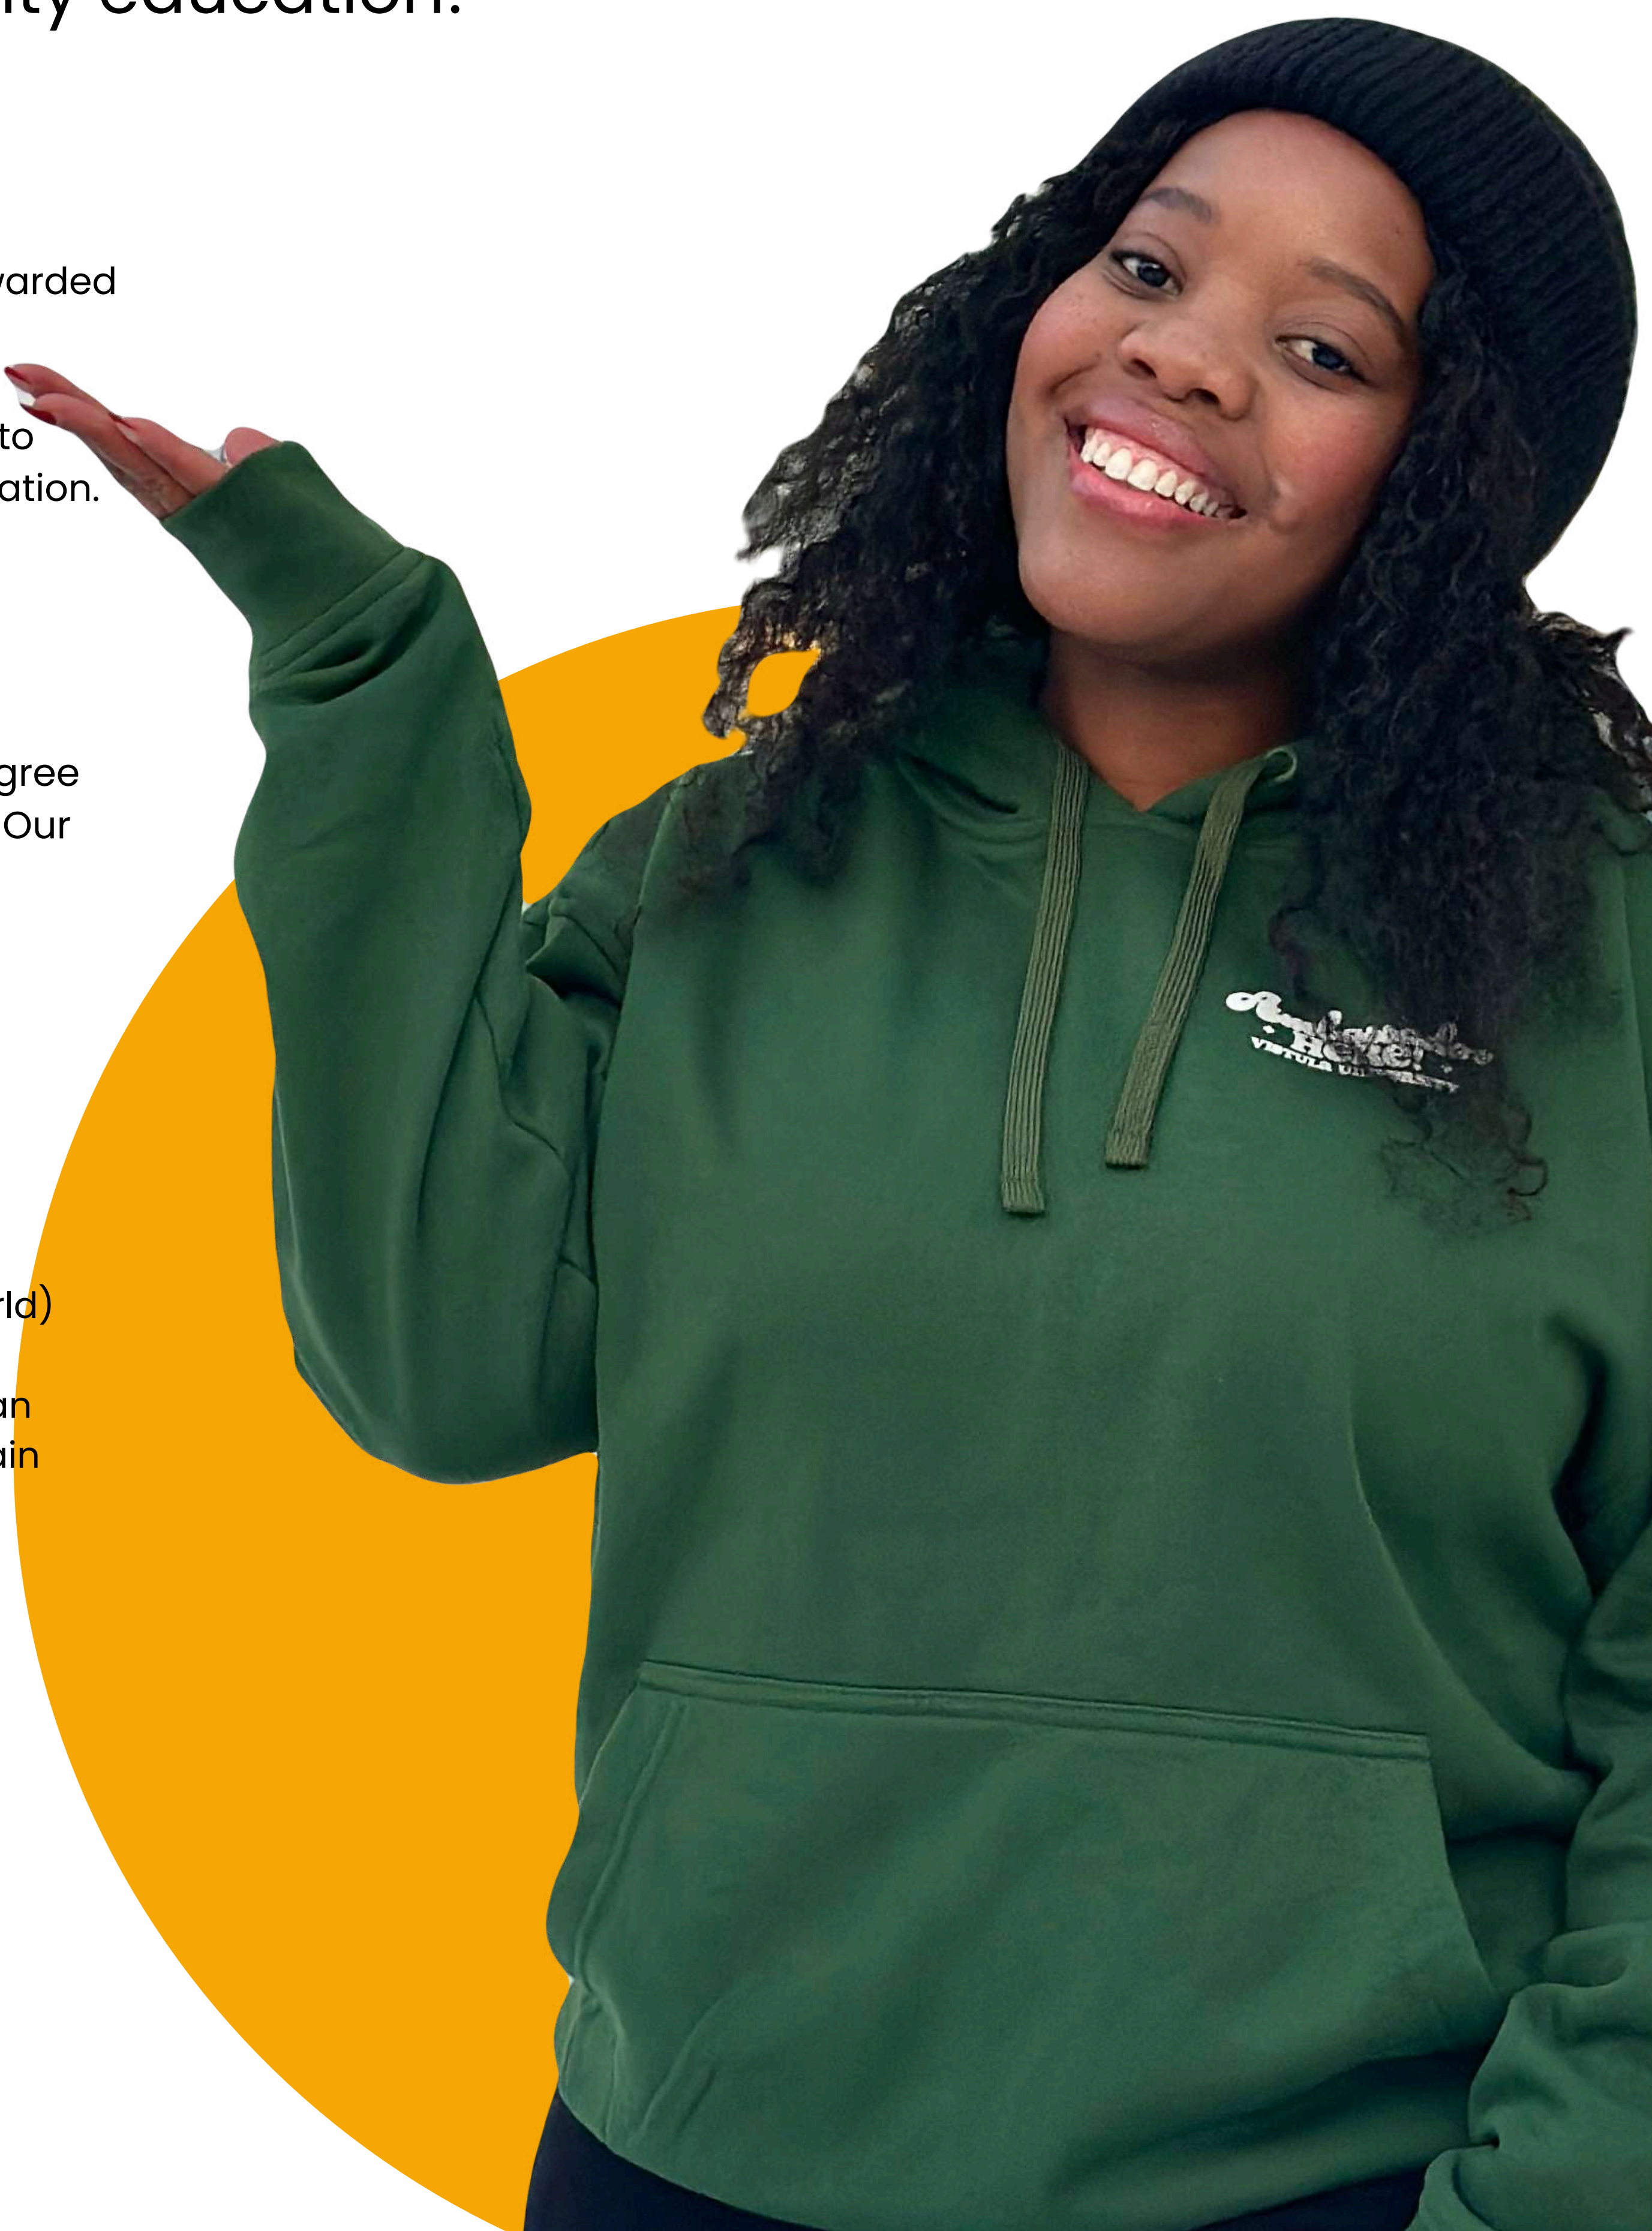

"Project Management in an Organization" specialty at our 1st degree studies has been awarded a recognized PMI GAC accreditation. Our graduates have the guarantee of being provided with both the knowledge and skills necessary to succeed in their professional careers.

CIMA accreditation confirms that our students gain competences, during the teaching process, (which are recognised all over the world) and are the most sought-after and up-to-date, in the areas of Finance and Management. Thanks to the accreditation, students can take advantage of exemptions from CIMA's exams. They will also gain access to scholarships.

Vistula School of Hospitality is accredited by a prestigious THE-ICE accreditation that confirms that tourism, hospitality, events and culinary arts (TH&E) programmes in our university provide excellence in education and are constantly seeking to enhance and improve our education offerings.

Business&Education

Our **main goal** is to make our students' education as convenient and efficient as possible, helping them **build successful careers and settle down in Europe**. The university schedule is flexible, allowing students to **work and study simultaneously!**

We have strong partnerships with renowned international companies. Every week, their representatives visit Vistula University through our Business & Education program to conduct workshops and offer internships, as well as full-time, paid job opportunities!
